* Discount percentage is applicable to package deals only. This discount cannot be redeemed with any other discount offer or voucher.

** Recipients will receive an award for participation in the soloist program for that year at the corresponding level. The student must be enrolled in the program for the full year to receive an award. Please note, the lowest soloist package deal the student is enrolled in throughout the year, corresponds to the award that they will receive.

***This offer is only valid for Term One

To ensure each child is at the correct level and standard required to compete, each package deal comes with limitations for the number permitted for entries at competitions. Generally, one private lesson per week allows up to three items but this is just a guideline. The number of items will be individually decided based on discussions with the director.
